

Mr. Wilcox.

I want to start out saying thank you for being our guest speaker at our school. From start to finish your story left me speechless! If I would ever go through an experience like that I would be very scared throughout the whole situation. Mr. Wilcox you are a brave man for going through all of that. What really impressed me was the fact that you were at sea for so long! Wow! This all seemed like the whole situation was from an action movie scene. I wish I could of heard more of your story but there was limited time. Thank you again for coming and taking your time to tell us your story Mr. Wilcox!
