

Dear Mr. Wilcox,

Thank you so much for taking time out of your morning to come and speak to our history class. I had the privilege earlier this year to listen to you speak to the youth at Cedar Bayou United Methodist Church, and I enjoyed hearing you again, just as much as the first time.

I believe that it is incredible to be able to survive over three days in the ocean, and your stories about those events were really interesting.

Once again, thank you for your time, and thank you for your service to our nation.

Thank you,
Amy Epperson
