

Dear Mr. Wilcox,

I wanted to thank you for taking time out of your day to come and speak to us. On behalf of Robert E. Lee's class, I was honored to have such a great war hero talk to us. When you spoke about your days stranded out at sea, I was amazed. You made a difference in the war and in the future of the United States of America.

Thank you,

MARIENE MARTINEZ

Dear Mr. Wilcox,

Thank you for your speech yesterday. I had a very good time listening. I enjoyed the part when you avoided the sharks the most and also the fact that you are a survivor. I actually learned things listening to your speech that I didn't know.

Sincerely,

Dornez Polimis
