

Dear Mr. Wilcox,

I want to thank you very much for coming and sharing your experiences of WWII with us. It was very exciting to hear the first hand account of what actually happened in the waters of the Pacific after the USS Indianapolis was sank. It is amazing that you had the strength and endurance to survive 6 days at sea with no food or water! Hearing that you drank the green dye was very hilarious! Thank you once again for coming and God Bless!

Sincerely,

Corey Keel
