

Dear Mr. Wilcox,

I really appreciated you coming down to our school and talking to us about your amazing life and I really felt like I was there by the way you were talking. The thing that surprised me the most was the cup that you brought that was shrunk do to the cause of the pressure of the ship. I really couldn't believe it and it impressed me a lot, your history is great and something to be proud of and it was an honor to meet a big part of history.

Thank You,
Karla Aguilar
