

Dear Mr. Wilcox,

5/27/09

I am writing to thank you from the bottom of my heart for coming to share your experience with our school. I also thank you for being strong enough to talk and stand throughout the whole class period. I think it was God's grace that was with you when you were in the water because the styrofoam cup you showed us was living proof of it. May God continue to bless you throughout your life. Thank You again for sharing your valuable story.
