

Thank You for coming to our school and telling us your experience while in duty. I was fascinated when you were talking about the men at sea and how brave and true survivors they were.

Thank You!

Rosa Valencia.

Dear Mr. Wilcox,

Thank you for coming to talk to us! Your story's were very interesting! I really liked the part about the sharks! I would never be able to do that! The pressurized cup was very cool! Also, I was wondering if you knew O.B. Aylor. He was my great-grandpa. He fought in WWII too + he is from Highlands.

Thank You,
Ashley Montgomery
